

Position Announcement: Junior Foreman (Full-Time)

Location: Ocean Township, NJ

Date Available: ASAP

Organizational Overview: Renova Environmental Services was established in 2006 and provides environmental remediation contracting services to public and private clients. Renova's in-house team consists of project managers, scientists, heavy equipment and CDL operators, and structural experts.

Position Overview: The Junior Foreman position offers a dynamic and self-motivated individual the unique opportunity to be part of a rapidly growing business in a rewarding field.

Key Responsibilities:

- Ensure projects are completed safely and efficiently
- Underground storage tank removal and site remediation
- Site work includes excavation, backfill, compaction, and stockpile management
- Onsite communication with clients

Compensation: \$18-\$21/hour + overtime; commensurate with experience; full benefits and retirement package; opportunity for prevailing wage projects

Qualifications:

- Experience directing a field crew
- Experience running heavy machinery (excavator, wheel loader, skid steer, dump truck, etc. . .)
- General construction knowledge
- Dedication to jobsite safety
- CDL Class A with clean driving record
- OSHA 40 HazWoper Training (helpful, but not required)

To Apply: Qualified candidates should email a resume and cover letter describing experience and qualifications to careers@renovaenviro.com. More information is available at www.renovaenviro.com.
